**You win**

Apparel 2018

one hundred and ten percent

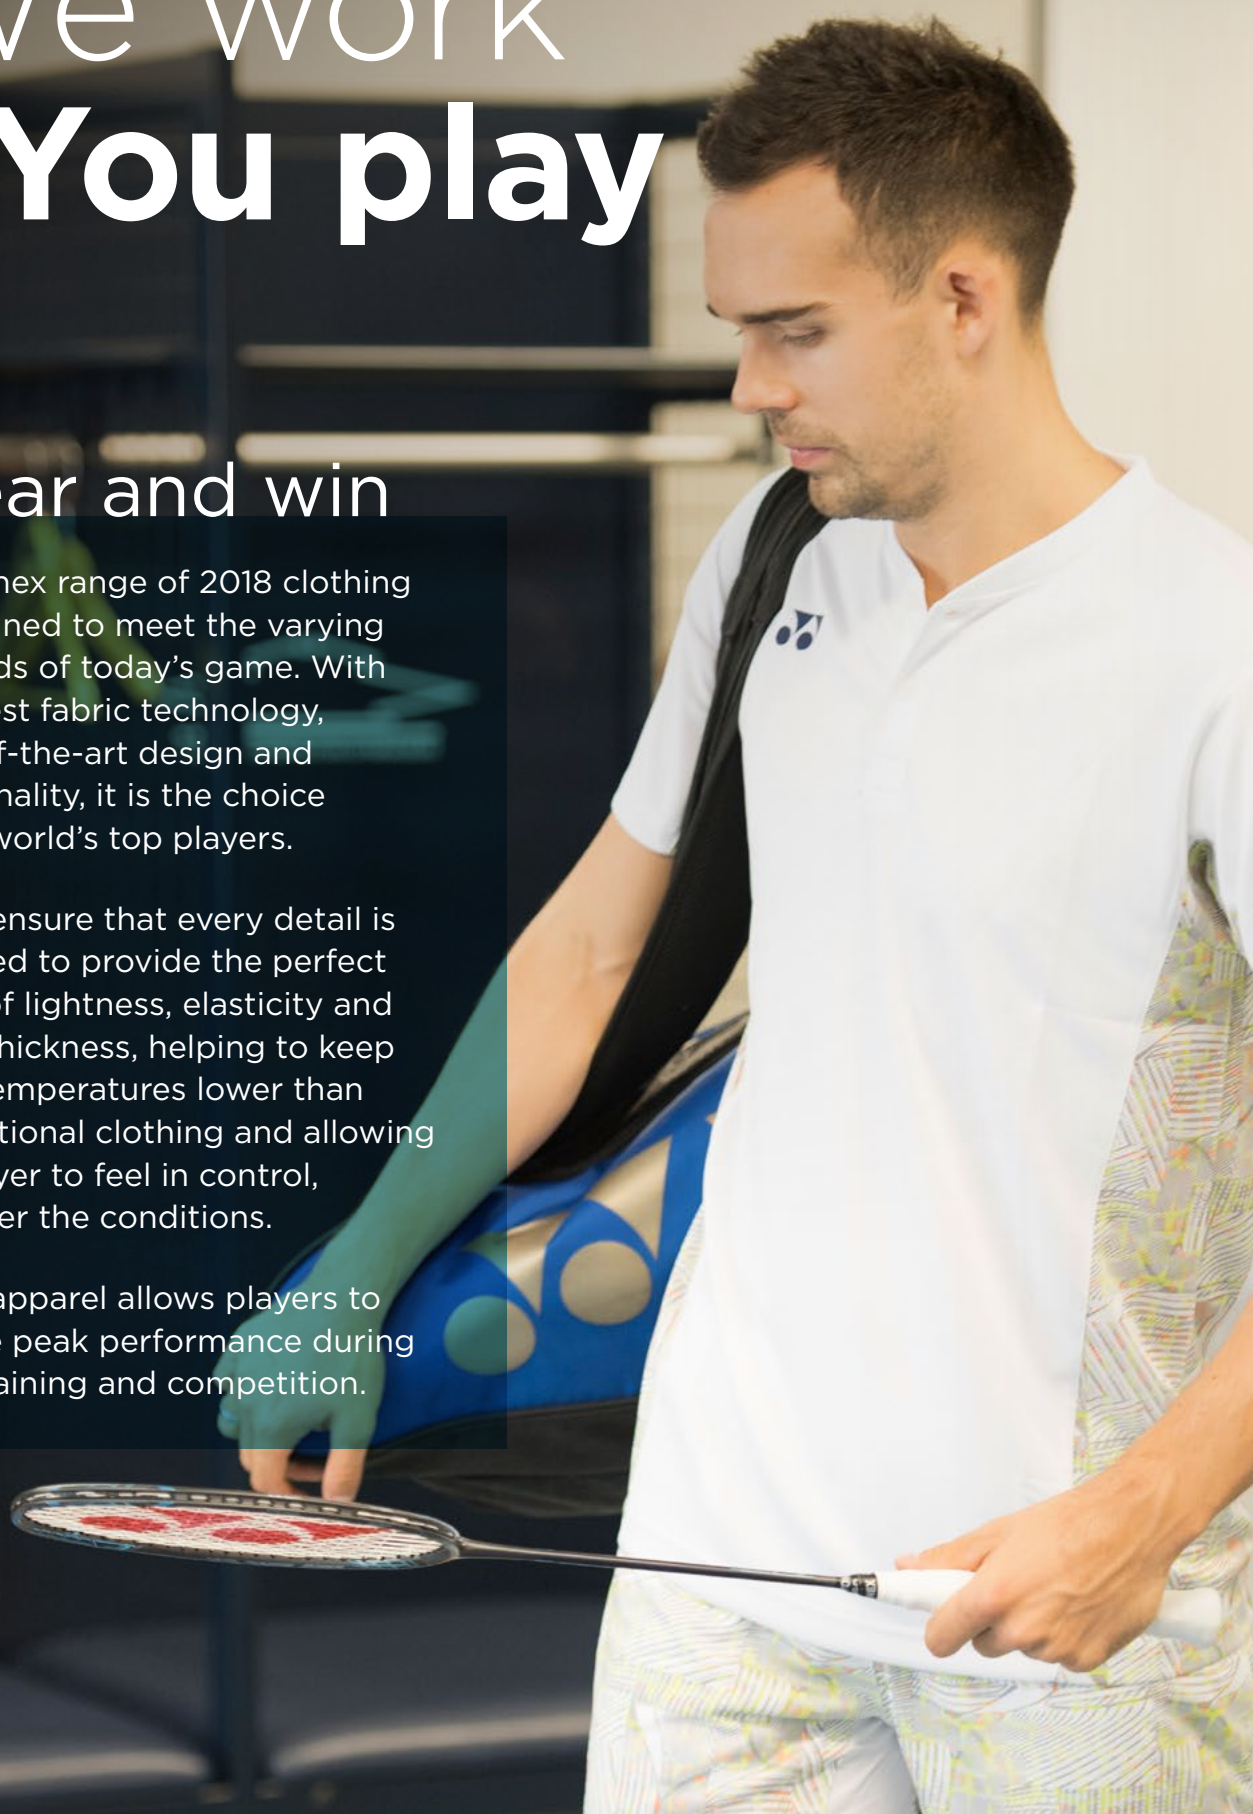

# We work You play

## Wear and win

The Yonex range of 2018 clothing is designed to meet the varying demands of today's game. With the latest fabric technology, state-of-the-art design and functionality, it is the choice of the world's top players.

Yonex ensure that every detail is designed to provide the perfect blend of lightness, elasticity and fabric thickness, helping to keep body temperatures lower than conventional clothing and allowing the player to feel in control, whatever the conditions.

Yonex apparel allows players to achieve peak performance during both training and competition.

# Clothing Technology

## VERYCOOL DRY

KEEP COOL, DRY AND ON TOP OF YOUR GAME

A special hydrophobic fibre moves moisture from the skin to the fabric's surface. Along with its quick drying property, VERYCOOL DRY keeps you cool and dry at all times.

## VERYCOOL

A COOL WAY TO BEAT THE HEAT

By using impregnated Xylitol, VERYCOOL clothing from Yonex absorbs heat and perspiration, providing a significant cooling effect during exercise. No matter what the ambient temperature, VERYCOOL lowers body heat by 3°C for cooler play\*.

\*Data from Unitika Garments Technology & Research Laboratories Ltd.

## UV REDUCTION

OUTSTANDING ULTRAVIOLET INTERCEPTION

Yonex clothing intercepts infrared radiation and approximately 92%\* of ultraviolet, minimising heat build-up during play.

\*Tested by BOKEN QUALITY EVALUATION INSTITUTE.

Air-Release

## AIR RELEASE

SUPERIOR COMFORT IN THE HEAT

As warm air rises, cold air enters into open areas. Based on this fact, new Yonex Air Release technology has greatly improved ventilation in our shirts. Mesh in the back of the neck provides high ventilation, pushing out body heat. Meanwhile, fresh air is taken in through mesh equipped on the side of the shirt from the bottom to the armpits, keeping you cool under severe heat.

## STRETCH

FLEXIBLE, FORGIVING, AND FASHIONABLE

Innovative stretch material allows for free movement that supports your active play.

## SWEAT ABSORBENT AND QUICK DRYING

STAY DRY AND LIGHT

Fabric that wicks away moisture and keeps you dry.

## POWER SLEEVE

SMOOTHER ARM MOVEMENT WHEN IN ACTION

Affording a 165° range of motion in the sleeves, our shirts boast less restriction and free movement.

## POLYGIENE (ODOR CONTROL TECHNOLOGY)

STAY FRESH AND ODOR-FREE

- Keeps clothes and footwear fresh and odor-free
- Safe for your skin and eco-friendly

## ANTISTATIC

AVOID THE DISCOMFORT OF STATIC ELECTRICITY

Carbon impregnated conductive fibres are woven into the clothing to remove static electricity build-up.

## WATER REPELLENT

## WIND RESISTANT

## REFLECTIVE

Men's Doubles World No.1 and 2017 Dubai Superseries Final Champions, Marcus Gideon and Kevin Sukamuljo are proud to play in Yonex kit. They need to stay cool under pressure and concentrate on winning.

The technology in Yonex clothing allows them to do just that.

*"We need to stay relaxed and win points at critical times in matches. Yonex clothing dries sweat quickly and lowers body temperature to keep us calm and comfortable under pressure."*
